Transfer of Coursework

A c k n o w l e d g e m e n t

I, _____, understand that the diploma/degree I receive does not guarantee a job or ordination in any specific market or ministry. I understand that it is not accredited with the U.S. Department of Education, and this diploma/degree is specifically not suited for people pursuing jobs as public school teachers, state university professors, state licensed psychologists, amongst other vocations.

The primary purposes of this diploma/degree are to help strengthen my walk with God, and to help in equipping me for Christian ministry, specifically to become a Spirit-anointed leader.

Although the issuing organization may help in pointing me to job location services, I am the one responsible to locate any job in my future. I understand it is wise and prudent for me to check with those who are working in the field(s) I desire to work in when I graduate in order to ensure that the path I am on will be acceptable for the specific kind of job or ministry I am pursuing.

I am fully aware that this is a Christian based ministry, which believes the Bible is the Word of God and that the Bible is the authority upon which my spiritual growth and training will be based.

I declare that I am requesting this transfer of ISOM coursework and the accompanying degree/diploma willingly and of my own free will.
